

State-wide measures to contain the corona pandemic

Contacts

- Reduce personal contacts to a minimum.
 - Meetings or celebrations in private with a maximum of two households or if everyone is related to each other*.
- Applicable in all cases: no more than five people. Children from these households up to and including the age of 14, are not included when calculating the number of individuals.

*here, "related" means: People who are related in a straight line: grandparents, parents and children and their respective spouses, life partners or partners.

Retail

- Remains open under hygiene regulations.
- Shops up to 800 sqm; one customer per 10 sqm sales area.
- For shops with more than 800 m² a limit of one customer per 20 m² applies from the 800th m².
- Shops with less than 10 sqm sales area can still serve no more than one customer.
- Masks must be worn in front of shops and in car parks.
- Controlled access.
- Avoid queues.

Gastronomy

- Taverns and restaurants, bars, shisha and smoking establishments, clubs and pubs of all kinds will be closed.
- An exception exists for meals for pick-up or delivery.
- Company cafeterias still open under hygiene regulations.

Christmas holidays 23 to 27 December 2020*

- A maximum of 10 people from only close family or friends. Children up to and including the age of 14 are not included when calculating the number of individuals.
- Accommodation in hotels or similar is permitted for family visits during this period. *if the infection situation permits

Health & Social Affairs

- Protective measures in hospitals, nursing homes, homes for the elderly and the disabled.
- No isolation of those affected.
- Assumption of the costs of regular SARS-CoV2 rapid tests for patients and visitors.

Education & Care

- All educational institutions and kindergartens remain open.
- Continuing education facilities for theoretical seminars remain open, no sports courses or the like.

Working

- Use home office wherever it is possible.
- Necessary business meetings are possible within the scope of work, service and business operations.
- Masks must be worn in the workplace if the minimum distance of 1.5 metres to co-workers cannot be adhered to. This regulation also applies to work outdoors.
- Hygiene regulations adapted to the business operation.

Sports

- Public and private sports facilities will be closed to the public. For example:
 - Fitness and yoga studios
 - Swimming and fun pools, still open for school and study
 - Spas and saunas
 - Dance schools
 - Sports facilities of clubs of any kind
- Sport alone, in pairs or with members of your own household allowed on public or private sports facilities.
- Training and events of top and professional sports possible without spectators.
- Sports allowed on extensive facilities such as golf courses, tennis courts or riding stables.
- Rehabilitation sports allowed.

Culture

- Events that serve entertainment purposes are not permitted.
- Cultural and leisure facilities will be closed to the public. For example:
 - Theatre
 - Opera
 - Museums
 - Concert halls
 - Clubs and discos
 - Cinemas
 - Indoor or outdoor leisure attractions
 - Amusement arcades, casinos or betting shops
- Outdoor playgrounds may be used.

Religion & Deaths

- Church services and funerals are allowed under hygienic conditions.

Services

- Cosmetic, tattoo and piercing studios are closed.
- Medical treatment (e.g. physiotherapy or occupational therapy, speech therapy, podiatry, medical foot care and massages) is possible.
- Hairdressing salons and tanning salons are still open under hygiene regulations.
- Places of prostitution must close.

Travel & Accommodation

- Avoidance of private travel and visits of relatives.
- No cross-regional tourist excursions.
- No bus trips for tourist purposes.
- Carpooling to school or work allowed.
- Accommodation offers are not permitted for tourist purposes. This also applies to camping sites.
- Business trips, necessary trips and overnight stays continue to be allowed.

Hotspot Strategy

- If infection cases exceed 200 per 100k over seven days, the affected urban and state districts will impose further containment measures.

Relief measures

- Emergency assistance for affected companies and workshops will be provided by the Federal Government.
- Fast loans through the KfW ("Reconstruction Loan Corporation") for enterprises with less than 10 employees.

Keep your distance

Practise hygiene

Wear the everyday mask

Use the Corona App

Air regularly
